DONATION REQUEST PACKET

Donate an item, support a great cause, get your brand seen

A small ask with a big impact

Aloha,

On Sunday, October 25, 2026, StretchLab is hosting Stretchin' in the Kitchen, a charity pickleball tournament and wellness expo benefiting Helping Hands Hawai'i. Throughout the day, 100 players and an expected 250–350 community members will gather on and around the courts, and a silent auction and raffle will run alongside the action to raise as much as we can for a wonderful local cause.

That's where we'd be grateful for your help. We're inviting local businesses and community members to donate items, gift cards, services, or experiences for the silent auction, raffle, and prizes. Every donation, large or small, turns directly into dollars for Helping Hands Hawai'i, and puts your business in front of an engaged, health-minded local audience all day long.

It's an easy, high-visibility way to give back: your donation is showcased on event day and credited in our marketing. The packet below has everything you need, including a quick donation form.

Mahalo for considering it! We'd be honored to feature your contribution.

With gratitude and aloha,

Adam
